Press Release

Bright Idea Group awarded highest rating for American Made Products

5 Box award given to Bright Idea Group by MyAmericanGoods.com

San Diego, CA March 5, 2009: Bright Idea Group, LLC manufacturer of the Car Go Desk line of quality mobile office products is proud to have received MyAmericanGoods.com highest ranking for companies providing American made products.

MyAmericanGoods.com provides a searchable database for consumers and businesses interested in American companies providing American made products. Companies are ranked according to U.S. ownership, presence in the U.S., and provision of U.S. sourced and manufactured products among other criteria.

Bright Idea Group is a wholly owned U.S. entity which proudly employs American labor, manufacturing and raw materials in producing the Car Go Desk mobile car office and accessories. Car Go Desk car desks can transform a vehicle into a total mobile office in seconds.

For more information on Car Go Desk products please visit us at www.cargodesk.biz. For more information on American made products please visit www.MyAmericanGoods.com.
