## **Bright Idea Group introduces Road Office, Ltd. as exclusive CarGo Desk dealer in Ireland and UK**

Road Office, Ltd. to bring quality mobile office products to the Ireland and United Kingdom markets.

**Cincinnati, OH July 21, 2008:** Bright Idea Group, LLC manufacturer of the CarGo Desk line of quality mobile office products is pleased to announce Road Office, Ltd. as exclusive dealer of CarGo Desk products in Ireland and the UK. The pat pending CarGo Desk is a unique platform for providing a mobile office for anyone working from their vehicle. Held securely in place in the passenger seat with the vehicle seat belt, the CarGo Desk provides storage and security for your important files and mobile business equipment. With 4 models available there is a CarGo Desk for every purpose and price range. CarGo Desks are the only mobile office solution on the market that can be configured with a handle and wheels to easily transport your mobile office to hotel or office. The Power Pro model also includes an onboard 400 watt power inverter to power laptops, phones and printers or recharge batteries. A full line of accessories are available to mount cell phones, PDA, GPS and mobile printers to the CarGo Desk to increase user productivity while on the road.
